# POV

Elevate your POV. Get up where the nation's most important monuments and spectacular landmarks surround you in our 11th-floor rooftop terrace bar and lounge. Inspired by three contextual insights local to D.C., social, physical and historical, the design of POV reflects these insights through its design details.

Designed to transition from casual daytime brunches overlooking the monuments of D.C., to a hub of nightlife and cocktail culture at night, POV features various seating zones ranging from communal tables to VIP banquettes.

Serving large parties from 15 to 50 guests, POV creates an intersection where the various parties of D.C. can mingle and enjoy the W Washington DC's unique programming centered on its passion points of Music, Fashion, Design and Cocktail Culture.
